【How to listen to interpretation】

Windows | macOS

1. In the Meeting/Webinar controls, click Interpretation.

2. Click on the language you want to listen to.

3. (Optional) To listen only to the interpretation, mute original audio.

Note :

You need to participate in the meeting audio via computer audio/VoIP. If you use the dial-in or call-phone audio feature, you will not be able to listen to interpretation.

Participants participating in the language channel can unmute the audio and speak to broadcast it back to the main audio channel.

iOS | Android

1. In Meeting Control, tap the abbreviation icon (...).

2. Tap [Interpretation].

3. Tap the language you want to listen to.

4. (Optional) Tap the toggle and tap [Mute original audio].

5. click [Done].

Note :

If you are using the dial-in or call-me phone audio feature, you will not be able to listen to interpretation.

Participants participating in the language channel can unmute the audio and speak to broadcast it back to the main audio channel.
